Notes for LESLIE JAY MAXFIELD:

The following was the Eulogy delivered by a friend of Leslie J Maxfield at his Funeral. The information was provided by various family members and his friends:

" Leslie J. Maxfield was born May 30, 1922 to Patrick J. and Daisy Maxfield in Alsea, Oregon, being the oldest son of nine children.

He met Lavonne Leslie in Eureka, California while working at a lumber mill. During his early twenties while courting LaVonne he answered the call of his country to serve in the armed service in the Army Signal Corp, where he achieved the rank of Sargent.

Soon after his enlistment, he married Lavonne Leslie June 27, 1943 in Chicago, Illinois.

As their lives together began to unfold they were given the blessing of raising four children, one son and three daughters.

After being discharged from the Service he gained employment with the Southern Pacific Railroad, at their Sacramento shop as an electrician. It was here he joined the International Brotherhood Electrical Workers Union Local 800. He worked for Southern Pacific for twenty years 1945 to 1965. It was during his employment at the railroad in 1955 that I first met Max both of us being electricians and finding our paths crossing in our labors. As I later left the railroad and left the state, little did either of us give thought that our paths would cross again.

Max later was employed by the State of California for a year and a half and the County of Sacramento for fourteen years.

Max was a member of the Carmichael Elks Lodge #2103.

Belonged to a C.B. radio group called the Born Loser's (Citizens Radio License Call Sign KED 2397)

His hobbies were: Stamp and coin collecting.

He was a fan of good western music, also enjoyed reading books of people of noted fame in settling the western frontier. (He also enjoyed books by Zane Gray)

Enjoyed western movies favoring the movies starring John Wayne.

Received from Untied States Mint several golden edition John Wayne medals, one of which Max gave to me this year saying Happy Father's Day.

Max loved the out of doors. Often going fishing and hunting with his family.

Max and Lavonne traveled a lot in this country and at one time they lived and vacationed on the island of Hawaii for seven months.

My wife and I serving as Missionaries for the Church of Jesus Christ of Latter Day Saints we met LaVonne May 1982. August 1982 we met Max. We did not remember each other as fellow workers of years past. We were invited into their home and they permitted us to visit often and explained the Restoration of the Gospel of Jesus

Christ in Its Fullness.

Max and Lavonne joined the Church December 18, 1982. Where they made new friends who love and care about them.

Max was my home teaching companion, I so very much enjoyed our labors as we went about teaching the Saints and know that we shall meet again and we will again have the opportunity to serve together.

I will remember him as a proud man yet one who later in his life recognized the Master's voice when given the opportunity to heat it through his servant's, humbled himself and accepted the change that must come to us all making us worthy to return to Him the Creator and Father of us all.

Brother Maxfield is survived by his wife Lavonne.

Patricia Nelson of Sacramento
Colleen Daniels of Sacramento

We are thankful to have been the servants to help him to recognize the need for a change in his life for which Max felt so good about.

A change which must come to all to which I testify in the Name of Jesus Christ Amen."

Notes for LAVONNE MARIE BURWELL:

Father: LaVonne's death certificates indicates that John Charles Burwell was her father. However, LaVonne claims that her ex mother-in law Mrs. Leslie (who was very close to Lulu's sister Ruby) told LaVonne that her biological father was William Alvin Paxton, husband of Lulu's sister Ruby. This is something that Wm Alvin Paxton has stated is not correct in letters to his daughters in late 1950's. There is a video tape done in the late 80's in which Wm Alvin Paxton states that LaVonne is his daughter. It is very difficult to determine fact from fiction, especially now that all parties have dead.

The following personal Information was prepared by her 4 children and was read at her Memorial Service:

As a young girl, she was very athletic. She could out run everyone - girls and boys. In high school, she was on the track team and participated in many other sports. She also had a great fear of water but worked very hard, as

a adult, to overcome that fear and learned to swim.

She married her high school sweetheart, Fred Leslie in 1937 in Matoon. In 1939 their child Charlene was born. LaVonne had always dreamed of living in CA. That dream was fulfilled when they moved to CA and settled in Eureka in 1941. Both Fred and LaVonne worked in one of the local lumber mills. In 1942 her marriage to Fred broke up.

While working at the mill LaVonne met Leslie Maxfield and when Leslie went to Chicago, IL, for the Army, in 1942, LaVonne and Charlene followed him. LaVonne and Leslie Maxfield were married in 1943 in Chicago, IL. While in Chicago LaVonne was a pitcher for the women's Chicago Clubs softball team. In 1944, after Leslie's discharge from the Army, the family moved to Sacramento, CA.

One of her proudest accomplishments was to earn her high school diploma in 1958.

She was a very active person and realized many of her dreams. She parachuted out of an airplane, went flying in a hang glider, and went up in a hot air balloon. She traveled around Europe, and at one point lived in HI. She also owned a motor home and used to explore the States.

She loved playing music and in her later years, belonged to a band. The band would perform in "Old Folks Homes" delighting those individuals that could no longer get out. She thought of herself as a "Recycled Teenager".

She loved collecting things and there was nothing she didn't collect. She also loved animals. Over her lifetime, some of her "pets" included dogs, cats, mice, rats, birds, squirrels, monkeys, piranhas, and a Venus fly trap.
