June Newsletter

June Meeting Monday June 8th, 2009-- ** ---- Governor's Room 7 pm

Last meeting before K-Z 3-D Shoot!!! Please attend meeting to get the final Planning for the shoot. If you are helping collect door prizes you can bring them to the meeting.

OOPS! I forgot to apologize for not having a May Newsletter. I am sure you all missed it. Sorry, I am sure I will not forget again...

The Range parking lot and sight in range area has been sprayed for weeds.

The 4-H Sure Shots are practicing at the 3-D range on Tuesday and Wednesday nights from 6 to 8 pm. County shoot will be the week of June 8th.

Blake and Susan have picked out jackets, fleece and shirts for prizes for Sunday at the K-Z. They are working with Sierra Trading Post on this. Tanager Beverages is going to do the High Series for Man and Woman. Joe wanted to select the sizes after we know who has won and then send it to them. We agreed on doing a certificate for the winners at the shoot. Flyers have been sent out twice and I will send one more out to hopefully get everyone to join us.

The course has been set up this past weekend. We will meet at the range to get the targets loaded. Blake has graciously offered to haul the targets up. We will set the targets out on Friday the 12th.

Field Shoot that we had on May 17th, went well, had around 20 shooters. Susan will have update at next meeting. The wind was not to bad either.

Jules is looking into having a workday for his Sea Cadets troop to fix the wall at the range. When a date is set I will send out a notice, we would like to have some of our members there to assist in this.

Two things to put on your calendar June meeting the 8th and the shoot June 13th & 14th!!!
