Subj: Building remodel

I have been in contact with the BLM( Duane Fike) and the city Manager ( Andy Whiteman) regarding remodeling the building at the outdoor range

Into an indoor shooting range for the Cody Archery Club. Mr. Fike and I went to the range. I showed him the building and described to him the

The renovations that could be done to turn the building into an indoor range.

Mr. Fike had no objections to the idea. He indicated that a letter with a drawing showing the intended improvements be submitted to BLM and The City.

I then contacted Andy Whiteman-City Administrator-. Mr Whiteman had no objections either. As a matter of fact he suggested a couple of places to

Contact regarding possible funding.

It is now up to the members of CAC to decide if they are interested and support the idea.

Try to make the meeting March 9 at 7pm at the Irma or email me at [lser@tritnet.net](mailto:lser@tritnet.net) or call me 527-6690.

Thank you;

Larry Baker
